Agenda Item	Action / Responsibility
Welcome, introductions	
Clean Boats, Clean Water	<p>No decision about continuing the program until the final 2025 report is available. Jim Sieber will review the report's details.</p> <p>Any decision to continue or close the CBCW program at Stormy will be made at a future meeting.</p>
Wake-enhanced boats	<p>Continue to monitor the legislative process and educate boat owners about current research on the effect of wake-enhanced boats.</p> <p>Courtesy Code modified to include current evidence-based recommendations.</p>
Boat landing turn around	<p>Based on discussion and a recommendation made at the SLA annual meeting, Debbie will talk to Tom Timken on whether No Parking signs can be placed in the turn-around area of the boat landing.</p>
Dues cycle	For simplicity, SLA dues will cover the calendar year.
Directory	<p>Bruce and Jim will work to consolidate and update the Stormy Lake databases to improve information flow, accuracy, and recordkeeping.</p> <p>Consider sending a contact form to everyone to update and confirm contact information once the database is as clean as possible.</p>
Courtesy Code revision	The updated courtesy code was added to the website.
