

STORMY LAKE ASSOCIATION

MINUTES OF MEETING OF MAY 25, 1980

Fifty-four members of the Stormy Lake association enjoyed coffee and cake before their annual meeting held at the Conover Town Hall. Representative Lloyd Kincaid spoke to the group about his efforts in the state legislature to reduce property taxes. To finance the educational needs in the state he advocates an increase in sales tax, corporation tax and income tax (based on ability to pay). Petitions were given to the group for signatures requesting a constitutional repeal of partial support of public education by local property taxes.

Following Mr. Kincaid's talk the business meeting proceeded with the reading and approval of the minutes of the meeting of July 8, 1979, and also the treasurers report of a balance of \$340.71.

George Christl reported that any clean up of brush left by the utility company should be requested through Wisconsin Electric Co.

The ballots were then counted and the new officers and board members introduced. They are: SECRETARY: MARTHA VINPCORE, (replacing Estelle Christl) TREASURER: MARGARET HABENER (second term) BOARD MEMBER: ART LEU, (second term) and BOARD MEMBER: GARY BERTRAND, (replacing DeWayne Williams)

Discussion of our 2nd Annual Colorama Dinner followed with Gloria Hansen, Maggie Oschmann and Donna Wesling accepting to serve on the committee for this affair which will be held the last week-end (Sat.) in September.

Dave Miller presented the summary of boating regulations and water care suggestions and said each household will receive a copy of it this summer. Members are asked to inform their families and guests of these regulations so as to maintain courtesy on the lake and protect our environment.

After introducing each other and new members and announcing orders for lakeside signs would still be taken the meeting adjourned at 3:25 pm.

Respectfully submitted,

Estelle Christl
